Dear Everyone at Over St John's Primary School

We are thrilled that you took part in the St Luke's Hospice 'Leaping Lambs' Easter fundraising event and I am writing to thank you all for joining in.

An incredible 19 schools and nurseries across mid and south Cheshire took part in 'Leaping Lambs' with a total of 1,094 children participating. We are overwhelmed that so many children were able to take part and we are very grateful for the wonderful generosity shown to us.

We hope that you enjoyed your day and I am so pleased to let you know that you raised an incredible £1250.30 for patient care here at St Luke's Hospice.

As a local charity more than 85% of our funds come from our community who so kindly support us every year. Thanks to your support and kindness, we will be able to continue to deliver care and comfort to those who need it most. You are helping us to make the most of the moments that count for our patients and their families.

I have enclosed a Leaping Lambs certificate which I hope you will proudly display and please pass on our heartfelt thanks to all of the children, parents and carers who helped to raise such an amazing amount for our Hospice. We would also like to extend our appreciation to the teachers and staff who helped to co-ordinate your leaping lambs event - it simply wouldn't happen without you!

On behalf of everyone at St Luke's, and all the families we help, thank you.

Yours sincerely,

Rachel Hughes
