

Communication and Language

We are going to be talking about what the children are planning to do during the holidays and about our class trip to Chester Zoo. We are looking for the children to use the correct tense when they speak and check they understand when we are speaking about effects their vocabulary.

Physical Development

The children will be working on team work and listening skills in Tuesdays PE lesson with me. On Thursday they will be working with Ms Pile on ball skills. The children will continue to work on their skipping skills with Mrs Teece and riding balance bikes with Ms Dyson throughout the week.

Personal, Social and Emotion

We will be looking at the different factors that support their overall health and wellbeing: - regular physical activity - healthy eating - toothbrushing - sensible amounts of 'screen time' - having a good sleep routine - being a safe pedestrian. This week we are looking at why it is important to have a good night's sleep.

Literacy

This week we will be writing our final piece of work inspired by Silly Doggy. The children have already planned a story based on the events in the story. They will be using this story map to write their own version. In phonics the children will be looking at consonants blends.

Hatchmere Planning

22.5.23

Understanding of the World

This week we are continuing to collect and sort the different material we have found. We will be talking about what they are made of and whether they are manufactured or natural. The seeds we planted a few weeks ago should be starting to sprout and we will be talking about the lifecycle of plants.

Parental Involvement Ideas

Last week the children were writing notes to their friends asking them if they wanted to play a certain game or activity. Perhaps they could do this at home with you? Remember that the questions should start with a capital letter and end with a question mark.

RE

This week in our class RE lessons we will be deciding which of the bible stories was our favourite and why we like it.

'A sweet friendship refreshes the soul'.

Proverbs 27:7

Mathematics

The children will be working on number formation and sequence every day. We will be exploring the order of numbers and the pattern of numbers. We will continue to look at the pattern of tens and tens.

We will be looking at weighing and working out which of our safari animals is the heaviest and lightest.
