

Communication and Language

This week the children are taking on roles from the story and acting them out. Hopefully, they will include some of the Superhero vocabulary that we have collected. The children will be listening to the story and talk about events and predict what might have happened to the vegetables if Super Tato hadn't come along and rescued them.

Physical Development

On Tuesday the children will be taking part in our Sports day. Miss Pile will also be working on the children's athletic skills on Thursday morning

Personal, Social and Emotion

In PSHE this week we are going to be looking at people who help us. It would be lovely if any nurses, doctors, vets, police person, fireman etc would come in a have a brief chat with the children about their jobs.

Literacy

This week we will be writing about what kind of mischief are the chilli peas getting up to? The children will be working on using their capital letters in the correct place and using a full stop. In phonics the children will be consolidating all the sounds learnt so far sound and reading words that contain a consonant blend.

Hatchmere Planning

19.6.23

Understanding of the World

This week we are looking at the Islamic community with the UK and around the world. We will be talking about similarities and differences to our own culture and faith.

Parental Involvement Ideas

This week we are working on recognising addition facts to ten. This is a great activity that can be done on the way home, in the bath, at teatime etc. Ask your child what they would add to any number to get ten. Encourage them to use their fingers to help work it out. Keep count of how many they get right each day and see if they are getting better.

RE

This week will be further exploring the Islamic faith and its five pillars. The children will talk about what it means to be a good Muslim.

'A sweet friendship refreshes the soul'.

Proverbs 27:7

Mathematics

This week we will be assessing the children can count past ten and can sequence the numbers to twenty. We will also be checking to see if the children have a deep understanding of numbers to ten including number bonds, doubles, odds and evens,.
