

Communication and Language

This week we are discussing how to catch the Evil Peas from our story. The children will be working with a partner to make a trap and explain how it works to the rest of the class. The children will also be ordering the story and using sequencing language. At all times, the children will be encouraged to speak and answer questions in sentences.

Physical Development

On Tuesday morning I will be taking the children for PE, and we are going to be practicing for our class Sports Day. Mrs Pile will continue to work on their games and coordination skills on Thursday morning. Our fine motor control activities will be using the scissors.

Personal, Social and Emotion

We will be starting a new topic-Keeping safe, feeling safe. The children will recognise their own contribution to keeping safe and use simple rules for dealing with people and situations. This week we will be looking at who can help us in our community.

Literacy

This week we will be writing instructions on how to make an Evil Pea trap. The children will be working on using their capital letters in the correct place and using a full stop. In phonics the children will be consolidating all the sounds learnt so far sound. We will hear all the children read on Friday so please make sure you send their reading books in. This week I will be assessing your child's high frequency words.

Hatchmere Planning

28.6.21

Understanding of the World

This week we will be looking at real life superhero's. we will be looking at the NHS and the amazing work they have been doing during the Pandemic. We also be looking at famous medical superhero's from the past including Jonas Salk, Florence Nightingale, Marie Curie and Mary Seacole.

Parental Involvement Ideas

This week we are looking at real life Superhero's and Superhero's from history. Talk with your child about people you admire and why. What makes a Superhero? Do you need superpowers to do something special? Can anyone do something amazing. Do some research on your child's real superhero. Perhaps they could come into class and tell us all about them.

RE

This week in our class RE lessons we will be looking at the Christian concept of the Holy Spirit and that the Holy Spirit is like the wind and air that surrounds us. We will be looking at the story of the Pentecost. We will discuss how this story has become the birthday of the church which is a day remembered every year when God gave the disciples the gift of the Holy Spirit.

'A sweet friendship refreshes the soul'.

Proverbs 27:7

Mathematics

This week we will be working on doubling and halving and recognises the relationship between these numbers. We will be using practical resources and the numicon to work out the doubling pattern. The children will be working on number formation and sequence every day.
