

Over St Johns

PTA

A 'PTA' vs a 'PTFA'

PTA

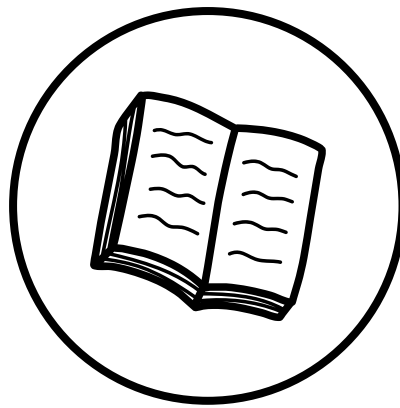

- All parents and carers at Over St Johns are automatically a member. The PTA is a small charity that is independent from the school.

What the F?

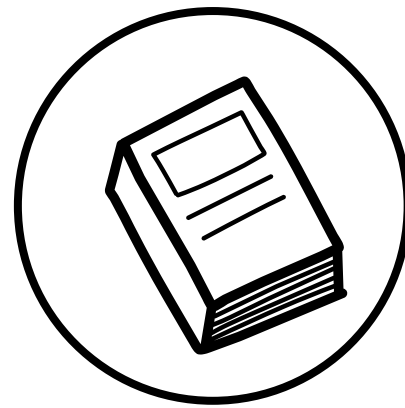

- The F means we are a "Friends of" "Friends" allows our PTA to include more of our school community like grandparents and other family members and even allows us to approve members of the wider community, which can help when we need a special set of skills!

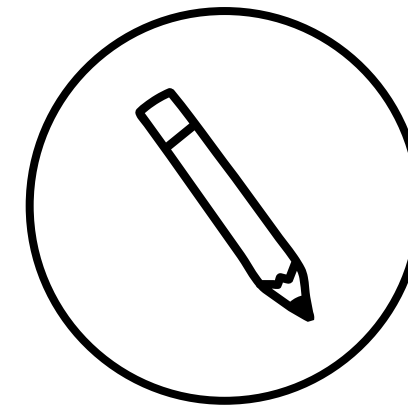

Goals for the year ahead

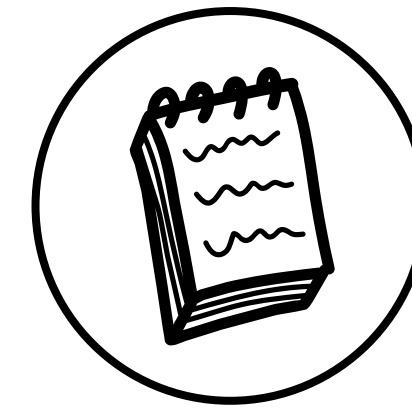

Continue to establish the PTA.

Gain registered charity status.

Fund raising goal of £2,000.

Run a minimum of 4 events during this academic year.

Long Term Goals

Students

Work with students to support their aims via existing forums such as;

- Student Council,
- Junior Safety Officers,
- Reading Champions

School

Help fund classroom iPads. Top of the schools wish list is to purchase a classroom set of iPads to replace aging equipment

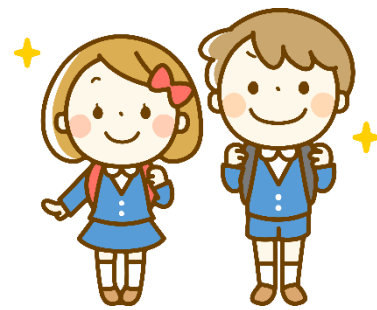

Social

Contribute to the building of school community via the running or facilitating of events where families can spend quality time together.
