

# Junior Safety Officers – February

## Parking outside school

**Do you arrive to school by car?**  
**Could you walk, scoot or cycle instead?**

We want everyone who is part of our school community to arrive and leave safely. The best way for that to happen is by having less traffic at the school gates and less cars parked on the roads around school.

**There are many benefits including:**

- It will be easier for everyone to cross the road
- The air will be cleaner
- Less noise from traffic

**Please can you remind whoever brings you to school and picks you up:**

- Never block driveways
- Never stop or park on yellow Zig Zags
- Don't park or wait on double yellow lines unless you have a Blue Badge
- Find a safer crossing place when crossing the road.

## Safer Internet Day

11th February 2025

**'Together for a better internet'**

THINK before you post!

T is for Think  
H is it Helpful  
I is it Inspiring  
N is it Necessary  
K is it Kind

We all need to stay safe and share only what is necessary online so that people don't see things that you wouldn't want them to see.

**Such as:**

- Your name and address
- Your passwords
- Photographs
- The name of our school.

**STOP**

**THINK**

**PROTECT**
