

# Let's connect this CHRISTMAS (SOME WAY)

By now you'll have seen our collaboration with Musicalalternative for this year's National Online Safety Christmas song. If you feel like joining in – perhaps with your family or with your class – we've reproduced the lyrics here for you!

1  
We don't want a lot for Christmas,  
There's nothing we really need  
And we don't care about the presents  
Underneath the Christmas tree  
We just want a screen-free day  
Unless we're calling family far away  
What more can we say?  
Let's connect this Christmas, some way

2  
I don't want a lot for Christmas  
But here's some other things I'd like (I'd like)  
Offline school from now till summer  
Time outside to ride my bike

3  
And I don't want to spend this Christmas  
Surrounded by a million screens  
Unless they're showing happy faces  
The fam on Zoom or my friends on Teams

4  
The iPad's great to stay in touch  
With people we don't see that much  
So what more can we say?  
Let's catch up this Christmas, some way

5  
And I won't ask for much this Christmas  
Not even a PS5 (or a)  
iPhone ProMax, Switch OLED,  
A million-terabyte hard drive

6  
It's time for some fun with mates  
But TikTok, Insta they can wait  
As for family, what do ya say?  
Let's hang out for the Christmas holiday

7  
All the screens are shining so brightly  
everywhere (oh it's Christmas)  
And the sound of high-pitched ringtones  
fills the air (and mince pies)  
And everyone's distracted (stockings)  
My mental health's impacted (presents)  
Can't we use devices so we're ALL connected?  
Sharing memories that we've all collected?

8  
Oh, I don't want a lot for Christmas  
This is all I'm asking for (and I)  
Just wanna spread some smiles  
Show some kindness, let's make sure  
Nobody feels on their own  
Share so everybody knows  
Through a screen, or face to face  
Let's connect this Christmas, some way

9  
Connected this Christmas some way,  
please let's be  
Connected this Christmas some way  
Connected this Christmas some way  
Connected this Christmas some way
