

Craft Instructions

Hanging Egg Window Decoration

Supplies

- Paper plate
- Ribbon
- Hole punch
- Felt tip pens
- Tissue paper
- Scissors
- PVA glue or glue stick
- Pencil

- 1** Choose a few different colours of tissue paper, then tear them up into strips.

- 2** Using a pencil, draw an egg shape in the middle of the paper plate. Then cut the egg out of the plate, leaving the outer rim of the paper plate intact.

- 3** Stick the strips of tissue paper horizontally onto the back of the paper plate, using glue to secure the strips at either side.

- 4** Continue to build up the layers and pieces of tissue paper until the egg shape hole is completely covered, then leave to dry.

- 5** Use a hole punch to make a hole in the top of the plate. Then thread ribbon through, making a loop to hang up the window decoration.

- 6** Decorate the edge of the plate using felt tip pens.
