

Easter Chick

You will need:

Orange, light yellow and white card

Chick template

Yellow and orange paint

A sponge

Feathers

PVA glue

Instructions

1. Draw around the chick template onto either light yellow card or white card, then cut out the template.

2. Using a sponge dipped in yellow or orange paint, sponge print the chick's body and head until covered, then leave to dry.

3. Use PVA glue to stick 3 or 4 feathers onto the back of the chick; these should be positioned to look like wings.

4. Draw and cut out a diamond shape from the orange card. Fold along the middle to create a triangle shaped beak.

5. Using PVA glue stick the beak onto the chick's face.

6. Using a felt pen draw eyes on the chick.

You will need:

Orange, light yellow and white card

Chick template

Yellow and orange paint

A sponge

Feathers

PVA glue

Step 1

Draw around the chick template onto either light yellow card or white card, then cut out the template.

Step 2

Using a sponge dipped in yellow or orange paint, sponge print the chick's body and head until covered, then leave to dry.

Step 3

Use PVA glue to stick 3 or 4 feathers onto the back of the chick; these should be positioned to look like wings.

Step 4

Draw and cut out a diamond shape from the orange card. Fold along the middle to create a triangle shaped beak.

Step 5

Using PVA glue stick the beak onto the chicks face.

Step 6

Using a felt pen draw eyes on the chick.
