

The Worry Monster - 7 years plus

1. Get an empty shoebox and cut a 1 to 2 inch wide slot in the lid.
2. Decorate it however you want or use our artwork on the next sheet to wrap around the lid (cutting a slot to match the one in the lid).
3. Anytime your children have a worry, they can write it down on a piece of paper and put it into the worry monster.
4. Stick the poem on the wall near the worry monster for children to say as they post a worry.
5. You (their class teacher) can read the worries and then address concerns individually or as a collective.

The Worry Monster Poem...

Worry Monster please eat my worry

Gobble it up quick I'm in a hurry

Chew it up and take it away

So I can be happy for the rest of the day
