

Communication and Language

This week will be looking at the question why and asking the children to explain their answers. This will include questions that the children will need to research and find the answer for on the computer or in books.

Physical Development

The children will be one of their PE sessions to practice for their upcoming dance show! Their other session will be focusing on ball skills. We will be controlling the ball with our feet over various distances.

Personal, Social and Emotion

This week we will be looking at 'lying' and how telling the truth is always important. This topic was imported from last week as we used the opportunity to talk sensitively to the children about the conflict in the Ukraine.

Literacy

In Phonics this week we are looking at the sound oa. The children will be reading and writing oa words. The children will be writing instructions for making a Bog Baby using sequencing language.

14.3.22

Understanding of the World

We will be looking at lifecycles of animals and looking at baby animals and naming them. In particular we are going to be looking at the lifecycle of frogs.

Expressive Arts and Design

The children will be working on their musical skills with Mrs Pile on Thursday morning. The children will be making their own bog babies in school using textiles (sock) and collage material.

RE

In RE this week we will be asking the question 'Why do Christians put a cross in an Easter Garden.'

Mathematics

This half term we will start to explore the numbers up to twenty. We will be looking at the pattern of numbers and working on formation.

The children will be looking at doubling numbers up to twenty and starting to work on odd and even numbers.

Parental Involvement Task

This week we would like you to play a simple board game with your child and then ask them to give somebody else instructions on how to play using sequencing language such as first, second, third, next, then, after that, finally and last. If your child has a favourite board game, they are welcome to bring it into school and give instructions to their friends on how to play.
