

Communication and Language

This week we are going to be learning about brown bears. The children are going to ask questions and then using the internet and non-fiction books we are going to find the answers. The children will continue to add to their collection of bear words which they will then use in their writing.

PE

In our PE session on Wednesday we will continue to work on our 'We are Going On A Bear Hunt' performance. On Friday we will continue our Hoops and Quoits lessons in the format of team games. The children will be challenged to follow lots of instructions try their best and show good sportsmanship

Personal, Social and Emotion

We will be looking at the different factors that support their overall health and wellbeing: - regular physical activity - healthy eating - toothbrushing - sensible amounts of 'screen time' - having a good sleep routine - being a safe pedestrian. This week we are looking at a healthy night time routine.

Literacy

The children will be writing questions and using question marks in their writing. We will be reading the sentences carefully to ensure they make sense and that we have used the correct punctuation. The children will work independently to create a story about the bear who came for tea. In Phonics we will be looking at the sound 'ear' and how it can be pronounced.

Hatchmere Planning

30.4.22

Understanding of the World

This week will be talking about the differences between old and new toys. Discuss with your child the toys that you used to play with and how they compare to modern toys today.

Can your child please bring a teddy bear in next week to show and chat about with the class?

Parental Involvement Ideas

This week we going to be talking about the history of teddy bears and famous bears from our culture. Talk to your child about where their favourite cuddly toy is from and its history. If you still have a toy from your childhood or your parents childhood show your child and explain its age and why it is important to you. Share photographs of toys you played with looking for

RE

The children will be looking at Ramadan and why it is important to Muslims. We will be sharing a story about a Muslim family during this time.

Mathematics

The children will be consolidating their knowledge of 5 this week. What does 5 consist of? How does 5 compare to other numbers? Hatchmere will also continue with our number line challenge and our exploration of odd and even numbers.
