

### Communication and Language

We will be talking up a jubilee storm this week. We will be collecting royal words and using them in our writing and speech. The children will be collecting descriptive words to describe our queen when she was young and now.

### Physical Development

On Wednesday we will be having a PE coach in to work with the children. Mrs Teece will continue to work on their games and coordination skills on Friday morning. The children will continue to work on writing capital letters and using the correct grip on their pencils.

### Personal, Social and Emotion

We will be looking at the different factors that support their overall health and wellbeing: - regular physical activity - healthy eating - toothbrushing - sensible amounts of 'screen time' - having a good sleep routine - being a safe pedestrian. This week we are looking at why it is important to have a good night's sleep.

### Literacy

This week we will be writing our final piece of work inspired by Silly Doggy. The children have already planned a story based on the events in the story. They will be using this story map to write their own version. In phonics the children will be looking at consonants blends

### **Hatchmere Planning**

**23.5.22**

### Understanding of the World

The children will look at all the different countries the Queen is Queen of. The children will be finding these countries on a map and talking about the differences between the countries. We will also be looking at the life of queen Elizabeth and talk about the major events.

### Parental Involvement Ideas

This week we are learning about the queen who is 96 years old and has lived a long eventful life. We would like you and your child to talk to the oldest member of your family and ask them questions about their life. This might be when and where they were born? What do they remember from school? What did they do for fun? What job did they do? What they think the biggest change has been from when they were young? What do they think has been the best change?

### RE

This week in our class RE lessons we will be sharing some of the stories from the Qur'an and talking about what the stories are trying to teach.

**'A sweet friendship refreshes the soul'.**

**Proverbs 27:7**

### Mathematics

The children will be working on number formation and sequence every day. In addition to this we will be looking at 3D shapes and we will see if we can spot any in and around our school.
