

### Communication and Language

This week the children are taking on roles from the story and acting them out. Hopefully, they will include some of the Superhero vocabulary that we have collected. The children will be listening to the story and talk about events and predict what might have happened to the vegetables if Super Tato hadn't come along and rescued them.

### Physical Development

On Wednesday and Friday afternoon the children will be working with a sports coach to develop their games skills. We will be starting to work on practicing for our Sports Day during our time in the outside classroom.

### Personal, Social and Emotion

We will be starting a new topic-Keeping safe, feeling safe.

The children will recognise their own contribution to keeping safe and use simple rules for dealing with people and situations. This week we will be looking at who can help us in our community.

### Literacy

This week we will be writing about what kind of superhero we would be if we could be superheroes. The children will be working on using their capital letters in the correct place and using a full stop. In phonics the children will be consolidating all the sounds learnt so far sound. We will hear all the children read on Friday so please make sure you send their reading books in.

### **Hatchmere Planning**

**13.6.22**

### Understanding of the World

This week we will be learning a little bit more about the history of the potato and how it came to this country. The children will be learning about the adventures of Sir Walter Raleigh and why he was the first person in England to plant the potato. We will be talking about the season of Summer.

### Parental Involvement Ideas

In RE this week, we are talking about important books and stories we love. We would like you to talk to your child about your favourite book and why it is important to you. Talk to your child about their favourite story and get them to explain why they like it. It would be lovely if your child could bring in their favourite book to share with the class.

### RE

This week the children will be talking about important books and stories. The children will explain why they like their favourite book. We will ask people in the school what their favourite story in the bible is and why.

**'A sweet friendship refreshes the soul'.**

**Proverbs 27:7**

### Mathematics

This week we will be using the rekenreks to look at the composition of numbers to ten and comparing numbers. We will be working on the instant recall of addition facts to ten including one more. .

The children will be working on number formation and sequence every day.
