

As the Phonics Screening Check for Year 2 approaches, we thought it might be useful for parents to try some online games and apps to help the children prepare for the short test.

Note to parents: All children and young people must be supervised at all times while using the Internet and all digital devices. You may wish to check the websites or apps first before you allow your child to access them.

ICT Games – Literacy

ICT Games provide a number of fun activities for your child.

Letters and Sounds

Letters and Sounds is a place to practice individual sounds, which are grouped by 'phonics phase' in which your child will encounter those sounds.

PhonicsPlay

PhonicsPlay is another website that offers plenty of activities and games which is grouped by phase.
