Dear Miss Harrison

I had the great pleasure of joining Hartford Church of England High School in the Primary Sharing Easter Service on 21 March 2016, which involved eight primary schools. The service was beautifully organised and was a joyous celebration of the Easter message.

Your childrens' performance of 'My Shepherd and My Friend' was just lovely. They were well rehearsed, energetic and a model of outstanding behaviour. They were a credit to their teachers and to your school.

It was a privilege to be part of the event and please pass on my sincere thanks and heartfelt praise to the children and teachers involved.

Warmest wishes.

Kerry Kirkwood  
Principal
